

# Our Faith Sets God's Plan Into Action

## Our Faith

Faith refers to ability to believe, to the assent to what we believe, and to the things we believe.

- **The Starting Point**

Our Holy Mother Church speaks of the *deposit of our faith* and the *sense of faith of the faithful*.

- One has to with what we believe.
- The other one has to do with the way we believe.

- **Only Children**

Practical, daily, common, and ordinary life suffers because we don't have faith. Only children, only those who see their *father* behind the events can master life.

## God's Plan

- **Hearing God's Voice**

Voices of Being  
Voices of Time  
Voices of Soul

- **Opening His Doors**

The Law of the Open Door

## Our Action

- **What are we called (supposed) to do?**

The laity, by their very vocation, seek the kingdom of God by engaging in temporal affairs and by ordering them according to the plan of God (*Lumen Gentium*, 31).

- **What do we need in order to accomplish this?**

- Recognize, accept, and embrace his plan. (See quotes)
